ANNUAL REPORT

OF THE

ELECTION DEPARTMENT

FOR THE YEAR 1940.

Boston, January 31, 1940.

Hon. Maurice J. Tobin,
Mayor of the City of Boston.

Sir,— In compliance with section 24, chapter 3, of the Revised Ordinances, the Board of Election Commissioners respectfully submits its annual report.

Registration.

Registration was held at the central office January 8, 15, 22, 29, February 5, 19, 26, March 4, 11, 18, 25, April 1, 8, 9 and 10, and from July 1 to August 28, inclusive, and from September 18 to October 16, inclusive, and on December 16, 23 and 30. Registration in wards was held on August 20, 21, 22, 23, 24, 26, 27 and 28, from 6 p. m. to 10 p. m., for the state primary; and October 1, 2, 3, 4, 5, 7, 8, 9, 10, 11, 14 and 15, from 6 p. m. to 10 p. m., for the state election. This registration was held in two places in different sections of each ward, ten nights in each place.

Number of Voters.

At the city election held November 7, 1939, the number of voters on the list was 345,477. The number

of such voters in the first list published by the Board August 21, 1940, was 310,075. From that time to the close of registration for the state election there were added the names of 80,623 voters. The number of voters on the final list sent to the polls on the day of the state election, held November 5, 1940, was 390,698, an increase of 45,221 over the number on the list at the preceding city election. The number of voters on final list December 31, 1940, was 390,714.

Nomination Papers and Referendum Petitions.

The Board received 443 nomination papers for the presidential primary on which 7,096 names were certified; 1,947 nomination papers for the state primary on which 28,829 names were certified; 1,048 independent nomination papers for the state election on which 34,682 names were certified; 711 initiative petitions on which 15,589 names were certified; and 100 petitions for recount of ballots cast on which 4,250 names were certified. This makes a total of 4,249 papers on which the names of 90,446 voters were certified.

Revision of the Voting List.

The names of 4,204 voters were stricken from the voting list by reason of death, removal from the city, and other causes. There were 128 complaints of illegal registration, of which 2 were stricken from voting list.

Jurors.

The jury list prepared by the Board in 1940 contained the names of 10,844 voters of Boston. During the time covered by this report, 2,423 were drawn for jury service.

Absent Voting.

The Board received 3,568 requests for applications for absent voters' ballots. From this number 3,068 applications were received. From the number of applications properly filed, 2,886 were found to be voters qualified to receive a ballot, and ballots were mailed to said applicants. Two thousand three hundred and thirty-two were received in this office in time to be distributed to the various precincts before the close of the polls. Eleven ballots were received and not cast,

as the applicants voted in person. Thirty ballots were returned too late to cast, and fifty were returned by the Post Office officials as unclaimed.

SELECTIVE SERVICE REGISTRATION.

In accordance with the President's proclamation, the Board on Wednesday, October 16, 1940, conducted the Selective Service Registration of males over 21 years of age but not yet 36 years of age, with the exception of those exempted by law.

His Honor the Mayor instructed all departments that the Board was to be given every possible assistance in this registration; it can be said without reservation that every department head called upon offered his full cooperation. The Police Department distributed registration materials on the 15th, furnished a detail for every registration place on the 16th and distributed additional materials when needed. The School Committee declared the 16th a school holiday and placed 147 school buildings at the Board's disposal. In addition, two private buildings were used in Ward 11 where no schoolhouses were available. No charge was made for the occupancy of the private buildings, and the janitors in every instance (including school janitors) volunteered their services. As the 16th was the last day for the registration of voters for the State and Presidential election, Faneuil Hall was used as a central office for the selective service — thereby leaving the main office of the Election Department in City Hall Annex free for voters.

City of Boston school teachers and principals of schools served as registrars for the Selective Service. They were assisted by volunteers — many of them from the Works Progress Administration and many of them election officers. Faneuil Hall was manned entirely by volunteers, the majority of whom were clerks in the city service released for the day by their department heads. Volunteers also served as interpreters wherever needed.

The National Youth Administration and several city departments (in addition to the Police Department) furnished cars for the use of the Board and the registrars. The telephone company installed special lines at Faneuil Hall for the day and donated the service there as its contribution to the registration.

The hours of registration were from 7 a. m. to 9 p. m., and since most registrants reported in the morning all registration places closed promptly at 9 p. m.

Hospitals and institutions were canvassed by the Board prior to October 16 to determine if there would be inmates of registration age on the 16th. If it was found that there were to be such inmates, either a member of the staff was deputized by the Chairman of the Board to act as registrar or a volunteer was sent from Faneuil Hall. Members of the faculty of Harvard Business and Medical Schools, Northeastern University, Boston University and Tufts Dental and Medical Schools were also deputized as registrars.

The total number of registrants was 93,330. As completed registration cards were returned to the Election Department, they were stored in the basement at City Hall Annex pending the arrival of a qualified member of each local draft board to claim his several boxes of registration materials.

Registration moved smoothly and without mishap. The Board feels that great credit is due all who assisted — notably to the Police Commissioner and the Superintendent of Schools.

Membership of the Board.

No change was made in the membership of the Board during 1940. William A. Motley, Jr., was continued as Chairman and Frederic E. Dowling as Secretary.

Expenses of the Election Department.

The expenses of the Election Department for the year ending December 31, 1940, amounted to $268,492.37.
